Who's Russell?

Russell Brooks is the author of *Pandora's Succession*, *Unsavory Delicacies*, and *Chill Run*. He considers himself fortunate to have been selected to the Canadian Track Team in the 100 metre and 200 metre sprint events and have his degree in Biology from Indiana University. Russell's Works

Pandora's Succession

This is Russell's debut novel, featuring CIA operative Ridley Fox. Many readers have compared it to *The Bourne Identity* for its edge-of-your-seat, high-octane plot.

What are people saying about Pandora's Succession?

"I'm going to admit it now, I love action movies, such as 'Bourne Identity', but I've never really read one. This was my first and I was absolutely strapped in for the ride of my life!" Laura Kentowski.

"It was absolutely bio-terrorism at its worst and I loved it." Lou Brandau.

Unsavory Delicacies

These are three short stories of suspense with the common theme of fine dining and revenge. And Ridley Fox makes an appearance.

What people are saying about Unsavory Delicacies?

"These Robert Ludlum style spy shorts were quick and satisfying. They were a pleasure to read." Austin James.

"With Unsavory Delicacies, Russell Brooks has cleverly crafted three suspense tales complete with surprise endings and amazingly well developed characters to entertain us." Lynette Phillips.

You know a publicity stunt has backfired when someone dies.

Starving author Eddie Barrow, Jr., will do anything to get a book deal with a NYC publisher. Even if it means getting caught by the media while engaging in S&M with a female celebrity as a publicity stunt. What Eddie gets instead are details of a billion dollar fraud scheme from a suicidal client who's fatally shot minutes later. Now on the run from the law and the killers, Eddie seeks help from two unlikely friends—an alcoholic and a dominatrix. With few resources, Eddie races to clear his name, unveil the fraud scheme, and expose the killers before he becomes their next victim.
