

Amazon Bestselling
Suspense Thriller Author
Russell Brooks
russell@russellparkway.com

Russell is the author of five books, including *Jam Run*, released on March 31, 2023. Each of Russell's books has sold over 1000 copies in less than two days, making him an Amazon bestselling author. His latest book, *The Demeter Code*, is his most critically acclaimed story. According to author and screenwriter Robert Whitehill, "The story is like an IMAX theatre jammed inside your head with the Dolby volume turned up to eleven."

If you enjoy suspense thrillers with conspiracies, martial arts, sex, betrayal, and revenge, you don't need to look further.

Russell lives in Montreal, Quebec. When he's not writing, he blogs and plays the violin.

PANDORA'S SUCCESSION

**The deadliest weapon against mankind
has been unleashed.**

CIA operative, Ridley Fox, never stopped hunting his fiancée's killers—a weapons consortium called The Arms Of Ares. When Fox follows a lead to one of their top-secret bioweapons facilities in Chechnya, he barely escapes alive. However, he's learned that Ares has weaponized a hyper-deadly microbe called Pandora. The trail leads Fox to Tokyo, where he teams up with an old flame and fellow operative, Nita Parris. Aside from Ares, they must contend with rogue agents who'll stop at nothing to get Pandora. This throws Fox and Parris into a deadly game of spy vs spy, as they must rely on each other to locate the microbe. For if it's unleashed, it could mean the end of humanity.

BOOK

ACCOLADES

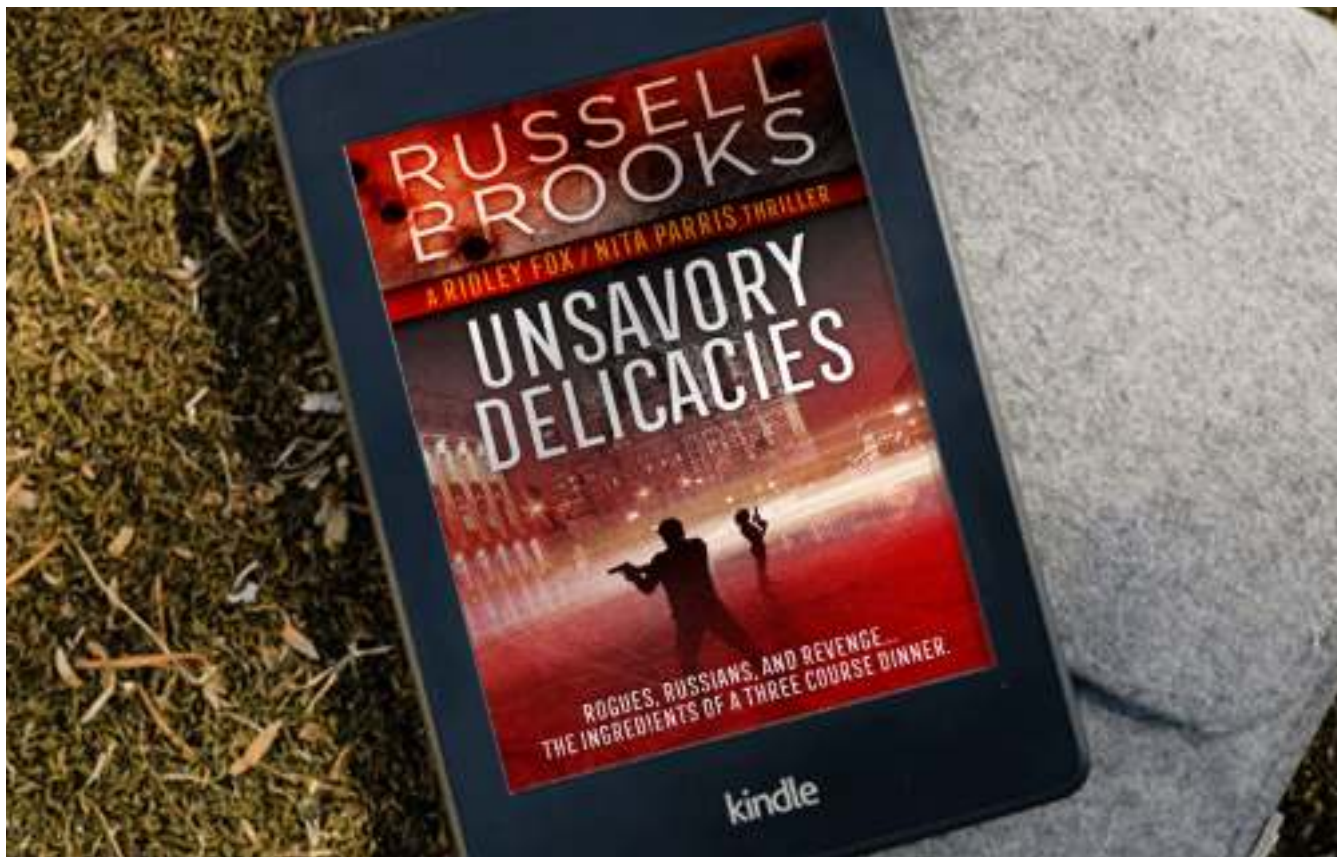

Pandora's Succession is not one that women will have to wonder if men will read it...they just have to make sure they are able to download their own copy! —**Cyrus Webb**, *Conversation Magazine*

Pandora's Succession is so jam-packed with edge-of-seat action and adventure that the reader won't even have time to slow down to take a drink of that tea cooling on your nearby table. Terrorism, traitors, killers with "causes," biological warfare, top-thriller action for the hero to win, and peril to the world! Thankfully, it's fiction! —**Glenda Bixler**, *Book Reviewer*.

The action starts from the very first page and continues throughout the book, and it's due to Brooks' masterful storytelling. —**Simay Yildiz**, *Book Blogger*

A superb non-stop action thriller set in the world of bio-weapons, chemical warfare and espionage. —**Milo's Rambles**

This book is designed for the need for action reader and believe me, it fulfills that need. There is barely a page that is turned without fast, pack energy and suspense. —**Martha A Cheves**

UNSAVORY DELICACIES

Rogues, Russians, Revenge...The Ingredients of a Three Course Dinner.

Crème Brûlée

Rogue operative, Monique Beauvais, cons a software genius into selling her a coveted technology that would allow its user to control CIA drones while they're in flight. And she will go as far as killing him in public in order to have it.

To the Last Bite

A renowned food critic—whose scathing reviews have closed down restaurants—gets a savoury surprise.

Shashlyk and Morezhenoe

CIA operative, Ridley Fox, leads a team against one of Russia's most powerful crime families. He discovers secrets, but not ones that he was expecting to find.

Three stories with three consequences. All containing three Unsavory Delicacies.

BOOK

ACCOLADES

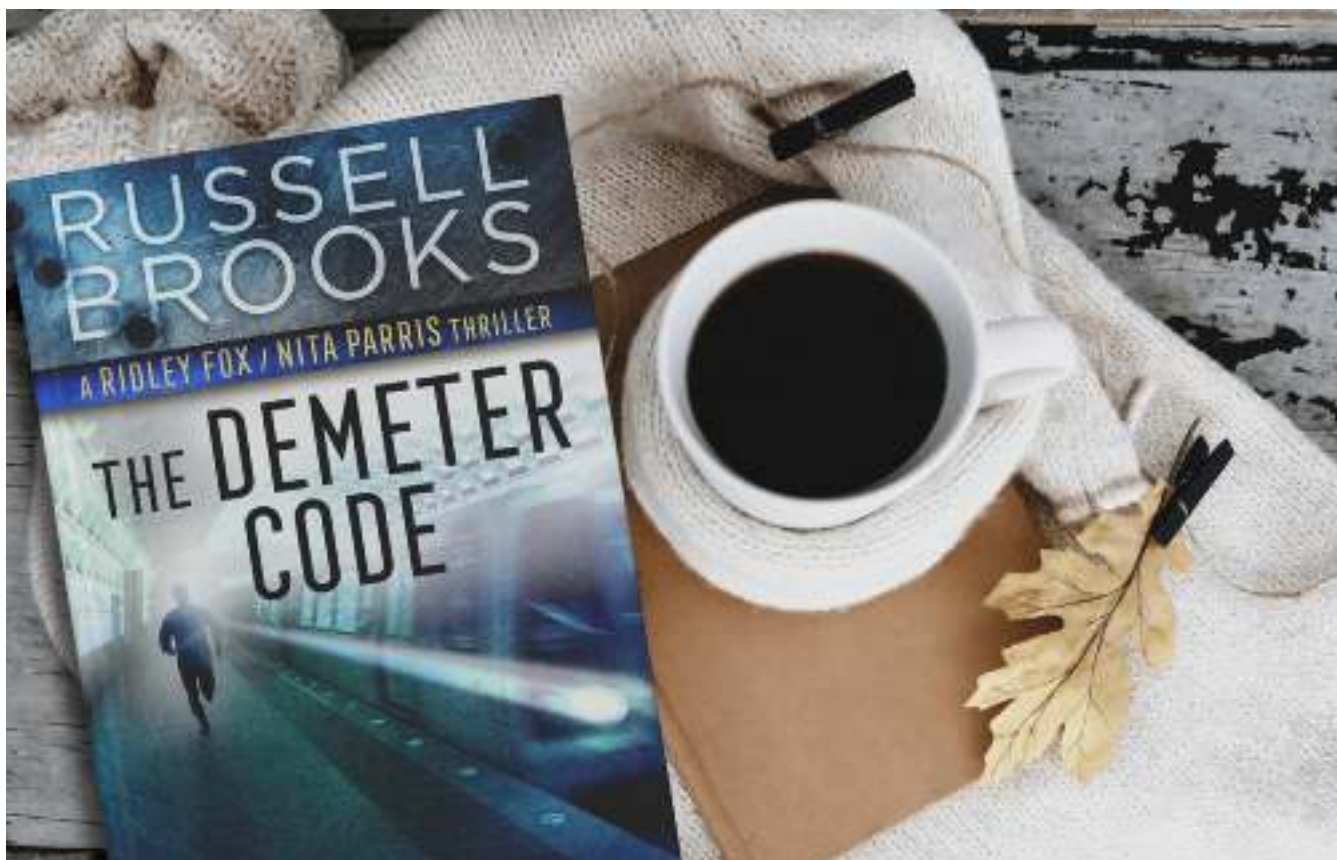

These delicious fun short stories are full of delight and mischief and humor. These stories are short and punchy. —**Shiy Conrow, Book Blogger**

Three short stories, each an extremely quick read of a couple of thousand words, that do what a thriller should do, keeping the reader engaged and curious. You'll be wondering what's going on, how it is going to end, and that answer to the second question isn't likely to be what you'd initially guessed. —**Al's Books and Pals, Book Bloggers**

"Three short stories that will give you a taste of tantalizing suspense." —**Martha A Cheves, Amazon Vine Voice**

"These Robert Ludlum style spy shorts were quick and satisfying. They were a pleasure to read." —**Austin James, Book Blogger.**

Two word Review- Deliciously Good —**Sheilagh Lee, Book Blogger**

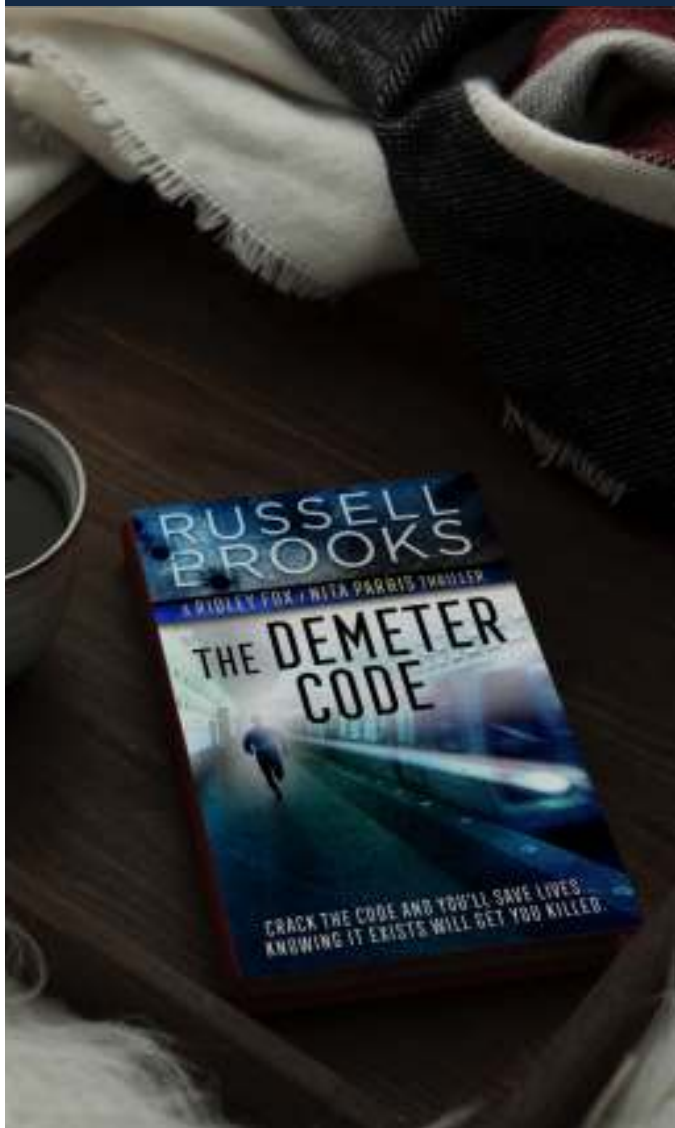

THE DEMETER CODE

CRACK THE CODE AND YOU'LL SAVE LIVES...BUT KNOWING IT EXISTS WILL GET YOU KILLED.

When two American embassies in northern Africa are bombed, CIA operatives, Ridley Fox and Nita Parris, are assigned to track down the perpetrators. However, when their top asset is killed in a failed op, the agents suspect that there may be a new threat. Their search for the truth puts them on a collision course with a powerful multinational—which will go to extreme lengths to bury its criminal activities. However, the agents soon learn that someone with a personal vendetta against that company not only knows their secrets, but will expose them in a way that could result in the largest single-day attack against America.

BOOK

ACCOLADES

This book scared me, it gave me cause to stop and take a good look at the world today, realizing that this could actually happen and it made me thankful that we do have security in line to prevent these events from happening, I hope.

—**Martha A Cheves, Book Blogger**

I found myself not wanting to put it down, and kept telling myself "Just one more page." Before I knew it, I was going to be late for work! It's a gripping, edge-of-your seat tale, and it just takes you further and further down the rabbit hole of what this case is all about.

—**Kristen Searce, Book Blogger**

Brooks respects his readers, offering intricate plotting spiced with lucidly spelled-out black-ops tradecraft worthy of Clancy and le Carré.

—**Robert Whitehill, Author and Screenwriter**

The Demeter Code is a long novel, balancing complex and detailed explanation with fast and furious action.

—**Sheila Deeth, Amazon Vice Voice**

If you enjoy action-packed suspense and provocative characters you will enjoy this work. This would be a great book for your library, and the character team of Ridley Fox and Doctor Nita Parris seem to be one that will come back again and again.

—**TicToc Reviews**

CHILL RUN

Sometimes publicity stunts go bad...Real Bad!

Starving author Eddie Barrow, Jr., will do anything to get a book deal with a NYC publisher. Even if it means getting caught by the media while engaging in S&M with a female celebrity as a publicity stunt. What Eddie gets instead are details of a billion dollar fraud scheme from a suicidal client who's fatally shot minutes later. Now on the run from the law and the killers, Eddie seeks help from two unlikely friends—an alcoholic and a dominatrix. With few resources, Eddie races to clear his name, unveil the fraud scheme, and expose the killers before he becomes their next victim.

BOOK

ACCOLADES

Russell Brooks has given us another great ride—thrills galore. – Glenda Bixler, Book Reviewer.

This certainly beats a movie. – Kimberley Skeete from Mornin' Barbados, CBC television.

If you like Elmore Leonard, you will love 'Chill Run'. Its snappy dialogue evokes 'Rum Punch' (filmed as Jackie Brown) and 'Get Shorty', and the plot carries the same tonal qualities of the Donald E Westlake thriller 'The Hunter' (filmed as Payback). As ever with Brooks, you can expect meticulous plotting and surprising twists. —**Tony Healy, Author of Hope's Peak**

A thriller you won't be able to put down. —**Coral Russell, Author of Amador Lockdown**

The way Russell Brooks tells his story keeps you on your toes and makes you think you know what is going to happen, just to send you in a totally different direction. —**Marie Francis, Book Blogger**

Russell Brooks never fails to disappoint! While this book doesn't contain my favorite character, the fantastic Ridley Fox, it still doesn't fall short in the awesome department. —**Kristen Searce, Book Blogger**

THE DEADLIEST SECRET IS THE ONE WE DON'T KNOW WE POSSESS

JAM RUN

AN EDDIE BARROW MYSTERY

JAM RUN

What if crying out for help made you a target?

Within hours of arriving in Montego Bay, Eddie Barrow and his friend Corey Stephenson witness a gruesome murder outside a bar. When the victim's sister reaches out for help, they learn of machinations to conceal foreign corporate corruption and a series of horrific sex crimes. However, Barrow and Stephenson's commitment to solving the case is put to the test once they find themselves in the crosshairs of a ruthless criminal network—one that extends beyond the shores of Jamaica.

Jam Run is a gripping crime thriller about the ever-present menace and violence the LGBTQ community faces daily.

—*Richard Burnett, Fugues Magazine.*
